Permission for staff in EYFS to provide Intimate Care

We will always encourage your child to be as independent as is appropriate for them, we know that young children often need support at this stage in a calm, kind and sympathetic manner.

Please ensure that we have signed permission to deliver this care.

Please note that parents / carers will be asked to supply their own pull ups, wipes and nappy bags if they are required.

Our Intimate Care Policy can be read on the school website

Child's full name:	
Date of birth:

Please list procedures/routines of intimate care normally used at home as a guide for staff in school, as well as any particular requests relating to intimate care for your child.

This could include things such as a reward chart for using the toilet (if they are in pull ups) or if they are prescribed laxatives etc. (Please use the reverse of this sheet)
