St Paul's News

St Paul's Church of England Primary School vision :

Jesus said, 'Let the little children come to me' Matthew 19:14.

We are all equally important, listened to and loved by God.

Dear Parents/Carers

Welcome to the final half-term of this academic year.

These are now the final weeks before our Year 6 pupils leave us and move on to their new secondary schools. I hope in their last half-term they continue to enjoy their time with us, adding to their precious memories of their time at St Paul's.

At St Paul's, football has always played a big part for us. We have had fantastic girls and boys football teams for many years, and seen a great deal of success. We have had our current football kit for a number of years and they have seen much use. As a result, they are now getting a little old and tatty, and it is time to look at replacing them. We have a link to a company which supplies high quality kits to a large number of schools, as well as rugby clubs and football clubs. They have offered us a discounted rate if we wish to buy a new kit. As they are good quality, they are still not cheap, but we would very much like to explore this possibility. I am wondering if anyone can help with this by sponsoring our kits. I know that many companies often seek out such opportunities as part of their commitment to the community and charitable donations. What we would also be happy doing, if your company or the company you work for were happy to sponsor us, is put the company name on the kit; as you would with a professional football club. So, if you own a company or the company you work for may like to sponsor our kit, please email or speak to me to discuss this further. We would be very grateful for this support.

I wish you all a lovely weekend.

Yours sincerely

Melting Crayons

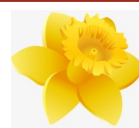

This idea might not be for everyone, but try it if you feel creative. You will need: wax crayons (wrappers off works best); strong glue (e.g. from a glue gun or superglue); canvas (this really doesn't work on paper!); protective sheet; hairdryer. Lay down the protective sheet where you will be working - there will be splatter! Choose a colour of crayon for each person you want to pray for. Glue the crayons vertically to the top of the canvas. Let the glue set firm. Set the hairdryer to the highest level and start blowing it across the bottom ends of the crayons. It takes a while, but they will eventually start to melt. Set the dryer down a heat notch and continue to melt the crayons. Use the hairdryer to direct the flow of the wax on the canvas and, as the crayons melt, pray that each of your chosen people will come to know how much Jesus loves them.

parents Prayer Meetings

The next parents prayer meetings will take place on:

Monday 9th June

Tuesday 1st July

The meetings will take place in the Breakfast Club room/Prayer Garden at 9.00am - 9.30am. Everyone welcome!

FOOD BANK

We would like donations of instant mash, squash (smaller bottles), tinned vegetables, and washing up liquid. There is a box outside the school office where you can place your donations. Thank you.

Lateness

This week there have been **232** minutes late! Another very disappointing week bearing in mind that this is over 4 days!!! These minutes do not include those pupils who came into school after registers close at 9.25am - as they have a different code.

We are carefully monitoring each individual pupils' time-keeping, working with Warwickshire County Council's Attendance Officer. Please see the chart below to show how this affects learning.

If in a school year your child is late everyday...	Your child would have lost approximately...	Or they would have missed approximately...
5 minutes	3.5 days from school	20 lessons
10 minutes	7 days from school	41 lessons
15 minutes	10 days from school	55 lessons
20 minutes	14.5 days from school	82 lessons
30 minutes	22 days from school	123 lessons

Athletics Cancelled

Reminder that the Athletics after school club will be cancelled on Monday 9th June as staff have to attend a meeting. The next athletics after school club will be held on Monday 16th June.

Message from Coventry and Warwickshire Partnership NHS Trust

Dear Parent/Carer

Our local school-aged immunisation service has been working with NHS England on improving how vaccinations in schools are managed.

As part of this work, the School-Aged Immunisation Service Team will now contact you directly to request consent for vaccinations. The new approach will make it quicker and easier for you to give or refuse consent for vaccinations.

This new process will allow the follow up of uncompleted consent forms to happen automatically if we have not received them.

What we will share with the school-aged immunisation service team:

When the School-Aged Immunisation Service Team asks our school for class lists, we will provide email addresses and phone numbers for parents and guardians of children who are eligible for vaccinations. The School-Aged Immunisation Service Team will use these contact details to send consent requests and reminders to parents and guardians.

For further information about the role of the School-Aged Immunisation Service Team in supporting vaccinations, please click [here](#).

Keeping your contact details safe

All personal data will be securely stored in line with NHS guidelines. Only the School-Aged Immunisation Service Team will have access to your contact details.

If you have any questions about this change, please contact the School-Aged Immunisation Service team via email SouthImms@covwarkpt.nhs.uk."

Kind regards,
School-Aged Immunisation Service
