School Council Meeting 2:30pm

- **School Grounds**

The children suggested fund raising (cake sale) to raise funds for a green house. They are keen to tend to the raise beds and begin a cycle of planting.

Requests for seeds and resources to be sent out in the school newsletter.

- **Queen's Green Canopy**

Thursday 31st March members of the Rotary will be coming to school to donate two trees for the School Council to plant in the wildlife area.

St Paul's is supporting and contributing to the 'Queen's Green Canopy' as part of the Platinum Jubilee.

- **Jubilee Week**

Mrs Newbold has organised a day of dance.

We discussed a Jubilee postcard that we could send home as a memory and something to save and look back at later on in life. It would allow the children to record their writing in the year group they are in this year.
